

KEVIN - MEDIA REVIEWS

"A mind-roasting bipolar joy-ride... Gee is a super-energetic, uber-likeable, highly gifted writer/performer... Kevin is presented wacky warts and all. We laugh at his quixotic delusions and misadventures. Yet Gee is careful to present Kevin in a respectful, empathetic manner. Indeed, Kevin is a sight more likeable than half the "normals" in this show...Gee is also a performance poet, so Kevin, King of Egypt offers reams of rich, poetic language from a man who's in love with words. This a moving, funny, deeply human show not to be missed."
